

# Timber Newsletter Index

## 150x150

Feedback on 150x150 - [January 2015](#)

The drought uncovers some deadly sins – [March 2020](#)

Which hardwood grading standard should I use – [April 2020](#)

150x150 kiln deied is not available – [May 2024](#)

## 3D Printing

Introduction to 3D printing – [February 2015](#)

## 50 mm joists

A reminder - [February 2015](#)

Deadly Sin No. 2 on the sunshine Coast– [April 2019](#)

Stagger your screw line – [July 2019](#)

Correct detailing does matter - [November 2020](#)

## Battens

Simple but stunning use of battens – [June 2019](#)

What has a Big Mac and cladding have in common – [December 2019](#)

Fastener end distances – [November 2023](#)

Don't span your battens too far – [February 2024](#)

## Boardwalks

Sacred site Boardwalks – [April 2015](#)

Why do I bother – [June 2015](#)

The Customer isn't always right – [November 2017](#)

Lessons from a 30-year-old boardwalk – [December 2017](#)

A boardwalk that planned to succeed– [March 2019](#)

Please explain – [December 2019](#)

Correct detailing does matter - [November 2020](#)

Galvanised fasteners can be a Recipe for Disaster – [November 2021](#)

We can be too clever (flood resilience) – [March 2022](#)

## Bollards

Bollards – Let the buyer beware – [October 2015](#)

Canberra bollards- [January 2015](#)

Same plans but two different products –[December 2015](#)

Timber bollards that have not aged gracefully – [May 2015](#)

Attractive project using eclipse bollards – [September 2018](#)

FWPA bollard guide – [October 2018](#)

Don't specify bollards till you read this guide – [November 2018](#)

Spreading the word in Canberra – [May 2019](#)

How deep do bollards have to be in the ground – [October 2019](#)

New CPD course on bollards - [March 2023](#)

Why do we do things that are just plain wrong – [April 2023](#)

Plastic or timber bollards, which is better? – [October 2023](#)

## Books

Architectural Timber Batten Book completed – [August 2015](#)  
Baptist History - [February 2015](#)  
Fence images sought – [September 2015](#)  
Help needed for architectural battens – [May 2015](#)  
Images sought for footbridge book – [August 2015](#)  
New book being written (Architectural Timber Battens) – [June 2015](#)  
New publication finalised – [October 2015](#), – [February 2016](#)  
New book on joints being written – [May 2016](#)  
Contribution to French book on tropical timber – [June 2016](#)  
New book on timber joints – [March 2017](#)  
New guide, External Timber Furniture – [September 2018](#)  
A treat for wood lovers and railway buffs – [September 2020](#)  
Pre-release editions of Timber in Playgrounds available – [March 2021](#)  
Why you need Bootle's *Wood in Australia* – [July 2022](#)  
Guide to timber handrail released – [December 2022](#)  
Started new guide to timber steps - [March 2023](#)  
Restoring a bridge for 1/10<sup>th</sup> the cost of concrete – [April 2023](#)  
You need the industry "Bible" – [July 2023](#)

## Bridges

Bridge inspection course - [January 2015](#)  
Log Footbridges – [April 2015](#)  
Large timber structures – [April 2015](#) special edition  
Paint finish for external structures – [June 2015](#)  
Wisdom of high design loads – [May 2015](#)  
New publication being finalised – [September 2015](#)  
What does a London bus have in common with my trusses?– [December 2015](#)  
Large Timber structures – [April 2016](#) special edition  
Covered bridges and the birth of American engineering– [November 2016](#)  
Mareeba Shire turns to timber bridges over concrete -[August 2017](#)  
You can build an Oscar worthy bridge – [January 2018](#)  
Economic and speedy bridge replacement – [July 2018](#)  
Covered bridges really work – [April 2019](#)  
Pre-war but which war (40m timber bridge) [January 2020](#)  
Krause bridge, a lesson in longevity – [May 2020](#)  
The capabilities of external gluelam – [August 2020](#)  
Another timber bridge to replace steel in Canada – [October 2020](#)  
Iconic timber bridge restored (Brunswick Heads) – [December 2020](#)  
Covered bridge restoration – [February 2021](#)  
An Interesting handrail from the UK (sloping handrails) – [July 2021](#)  
A Not so interesting handrail from Australia (poorly done)– [July 2021](#)  
Poor Timber Design Needed a Fast Repair (laminated beam) – [August 2021](#)  
35 metre span timber bridge in Canada – [February 2022](#)  
A problematic timber design – [August 2022](#)  
Mathematical bridge in Cambridge – [May 2024](#)

## Buildings

Another great project from architects of Arcadia – [June 2020](#)

Another one of my follies – [October 2020](#)

Inspecting the world's largest timber structure – [January 2024](#)

## Case Histories - Bad

Dangerous Canberra Deck - [January 2015](#)

Dangerous Canberra deck finally made safe – [January 2017](#)

Why do I bother (Re boardwalk) - [June 2015](#)

Timber bollards that have not aged gracefully – [May 2015](#)

Problematic timber bridge design – [August 2022](#)

Step case history from step guide – [May 2023](#)

A creative footing solution – [February 2024](#)

## Case Histories - Good

Largest timber church in Australia – [June 2016](#)

Salt storage shed East Windsor (USA) using shearplates – [February 2017](#)

A decent garden wall – [March 2017](#)

Rothoblass headquarters Italy using cross laminated timber – [March 2017](#)

Tree of Knowledge memorial Barcaldine – [April 2017](#)

Mareeba Shire turns to timber bridges over concrete -[August 2017](#)

Kurata Co in Japan excels with spotted gum – [April 2018](#)

An early boardwalk revisited (Toohey Forest) – [May 2018](#)

Another great structure at Toohey Forest Park, Part 1– [June 2018](#)

Another great structure at Toohey Forest Park, Part 2– [July 2018](#)

Are you purchasing for durability (Brisbane Botanic Garden) – [October 2018](#)

Another one of my follies (bell tower Dalby) - [November 2020](#)

Domestic deck at The Gap - [February 2021](#)

Ports North Playground – Cairns – [March 2021](#)

Spotted gum seats in Budapest – [May 2021](#)

Queenslander houses – [May 2021](#)

Deck replacement – Gold Coast – [October 2021](#)

Two bell towers compared (Dalby and Charters Towers) – [November 2021](#)

We can be too clever (flood resilience) – [March 2022](#)

Spotted gum viewing deck in Japan – [June 2022](#)

Something good in Canberra (pergola) – [August 2022](#)

Refurbished deck at Samford – [December 2022](#)

All Hallows school deck – [May 2023](#)

Uluru drone show boardwalk and deck – [June 2023](#)

Amazing spotted gum deck in Japan – [August 2023](#)

Handrail on refurbished footbridge – [October 2023](#)

Sunpu's workshop, Takumijuku (Japan) – [December 2023](#)

Case History – Mayes Canal Boardwalk – [April 2024](#)

## Cladding

What have a Big Mac and cladding have in common – [December 2019](#)

Whoever thought plastic was a good idea – [September 2019](#)

Timber cladding in multi-story buildings – [September 2020](#)

## Cocowood

Cocowood, is it any good? – [October 2016](#)

## Connections

World's largest timber structure – [March 2016](#)

Salt storage shed East Windsor (USA) using shearplates – [February 2017](#)

## Consultancy Services

Expert witness – [November 2015](#)

Ted is speaking on battens for Timber Queensland – [January 2016](#)

Gold Coast City Council builds an outstanding deck – [July 2017](#)

Consultancy services through BCRC – [August 2017](#)

The importance of Timber Grading – [December 2017](#)

Footbridge inspections – [August 2018](#)

Grading timber in a Venetian palace – [November 2018](#)

Why you need to engage a timber consultant even if it's not me – [November 2019](#)

## Cypress

The difference between pine hardwood and cypress – [September 2016](#)

## Deck Collapses

Another deck collapse – [December 2017](#)

Another deck fatality before the coroner – [June 2020](#)

## Decks – Commercial

Deckwood – new manufacturing arrangements – [January 2016](#)

Ted has finally found something more durable than Deckwood – [November 2015](#)

Width to thickness ratio – [November 2016](#)

How long will a timber deck last – [March 2017](#)

Joining decks on commercial decking – [June 2017](#)

Choosing timber by colour – [July 2017](#)

Gold Coast City Council builds an outstanding deck – [July 2017](#)

What decking profile is that – [July 2017](#)

Should decks be load limited – [November 2017](#)

It is a good idea to pre-oil your deck – [November 2017](#)

Avoiding trip hazards in decking – [April 2020](#)

Are your decks self-cleaning – [April 2020](#)

Why you don't use dressed face decking externally – [August 2018](#)

Putting form before function – [June 2019](#)

Spotted gum decks in Japan – [May 2020](#)

This is why you do things correctly – [July 2020](#)

Japanese tea garden deck – [July 2020](#)

Why don't we check – [August 2020](#)

Deck replacement – Gold Coast – [October 2021](#)

What decking oil should I use – [May 2022](#)

Deckwood available for vehicle decking – [June 2022](#)

Amazing spotted gum deck in Japan – [August 2023](#)

Case History – Mayes Canal Boardwalk – [April 2024](#)

Sometimes timber is a poor choice – [April 2024](#)

## Decks - Domestic

How to ensure correct verandah joist life – [August 2015](#)

Nail or screw domestic decking – [April 2015](#)

Some basics – [November 2015](#)

How to Protect and keep your deck looking good – [June 2017](#)

Choosing timber by colour - [July 2017](#)

Should decks be load limited – [November 2017](#)

It is a good idea to pre-oil your deck – [November 2017](#)

Why you don't use dressed face decking externally – [August 2018](#)

A Dear Lord Give my strength moment – [January 2019](#)

Updated Timber Queensland Decking Guides – [September 2019](#)

LVL and common sense (USA deck collapse) – [February 2020](#)

Spotted gum decks in Japan – [May 2020](#)

Another deck fatality before the coroner – [June 2020](#)

Beware F17 KD specification – [September 2021](#)

What decking oil should I use – [May 2022](#)

Refurbished deck at Samford (LifePlus) – [December 2022](#)

All hallows School Lifeplus – [May 2023](#)

Timber decks close to the ground – [December 2023](#)

Sometimes timber is a poor choice – [April 2024](#)

## Decks - Plastic

Plastic decking with termites – [September 2016](#)

It seemed a good idea at the time – [August 2017](#)

Another failed plastic deck – [April 2018](#)

Timber, is there a better product – [May 2019](#)

Whoever thought plastic was a good idea – [September 2019](#)

## Durability

Thermally modified timber - [January 2015](#)

Designing for the local climate – [November 2015](#)

Non durable timber has lasted more than 100 years – [May 2016](#)

Deadly Sin No. 7, Getting Durability ratings Right – [February 2019](#)

Oils ain't oils and wood ain't wood – [February 2019](#)

National centre for timber durability – [June 2020](#)

This is why I disapprove of using Oregon pine externally – [July 2020](#)

A quick look at some common species – [October 2020](#)

Another one of my follies (Kangaroo Point) – [October 2020](#)

Another one of my follies (Bell tower Dalby) – [November 2020](#)

Beware F17 KD specification – [September 2021](#)

Two bell towers compared (Dalby and Charters Towers) – [November 2021](#)

We can be too clever (flood resilience) – [March 2022](#)

Is Oregon durable – [May 2023](#)

Care needed with kwila/merbau – [November 2023](#)

## Engineered Timber

Using laminated beams externally – [September 2015](#)

Using LVL beams externally – [September 2015](#)

Rothoblass headquarters Italy using cross laminated timber – [March 2017](#)

Timber library in remote Solomon Islands – [May 2017](#)

Mareeba Shire turns to timber bridges over concrete -[August 2017](#)

Be careful choosing your species – [October 2017](#)

## Fences – Domestic

Fence images sought – [September 2015](#), [October 2015](#)

Timber fence book finalised – [January 2016](#)

Everything fencing – [April 2016](#)

Be careful with ply fences – [September 2017](#)

Be careful choosing your species – [October 2017](#)

A striking spotted gum fence in Japan – [March 2021](#)

How not to do a fence – [April 2022](#)

Horse fencing – [November 2023](#)

## Fasteners

Nail or screw domestic decking – [April 2015](#)

When to use stainless bolts and brackets – [July 2015](#)

Galvanised bolts more variable than timber – [June 2016](#)

Problems looming with self drilling screws – [June 2016](#)

More on galvanised bolts – [July 2016](#)

More on galvanised bolts – [August 2016](#)

More on galvanised bolts – [September 2016](#)

Choosing the correct decking fastener part 1 – [November 2016](#)

Choosing the correct decking fastener part 2 – [December 2016](#)

Choosing the correct decking fastener part 3 – [January 2017](#)

Corroding galvanised joist hangers – [November 2016](#)

Tube nuts – [December 2016](#)

Salt storage shed East Windsor (USA) using shearplates – [February 2017](#)

A Dear Lord Give my strength moment – [January 2019](#)

Stagger your screw line – [July 2019](#)

Why don't we check – [August 2020](#)

Vandal resistant fasteners – [February 2021](#)

Tell me how to detail it Correctly (steel corroding at stainless bolt) – [April 2021](#)

Tell me how to detail it Correctly replies (steel corroding at stainless bolt) – [June 2021](#)

Staying one jump ahead of the idiots (need for special nuts) – [June 2021](#)

Galvanised fasteners can be a Recipe for Disaster – [November 2021](#)

End and edge clearances of bolts – [March 2022](#)

Fastening domestic decking to steel joists – [February 2023](#)

Recommended screw for fixing Deckwood to steel – [August 2023](#)

Fastener end distances – [November 2023](#)

## Flooring

A real-life ghost story – [March 2015](#)

Controlling the gaps in T&G flooring – [March 2018](#)

When is kiln dried not kiln dried – [January 2019](#)  
A reminder about narrow floorboards – [September 2019](#)  
Queenslander houses – [May 2021](#)  
Using T&G flooring as decking – [February 2023](#)

## Finishing

A real-life ghost story – [March 2015](#)  
Paint finish for external structures – [June 2015](#)  
Keep Your Deck Looking Good & Protected – [June 2017](#)  
It is a good idea to pre-oil your deck – [November 2017](#)  
Don't do silly things with timber – [November 2019](#)  
Choice of paint colour is important – [December 2020](#)  
Tell me how to detail it correctly replies (painted steel corroding at stainless bolt) – [June 2021](#)  
What decking oil should I use – [May 2022](#)

## Fire

Fire retardant coatings code of practice released – [June 2018](#)  
A lesson from the recent bushfires (CCA and fire) – [January 2020](#)  
Feedback on a lesson from recent bushfires – [February 2020](#)

## Furniture

Be careful choosing your species – [October 2017](#)  
Writing a book on external furniture – [November 2017](#)  
External timber furniture, all you need to know – [October 2018](#)  
When a one-off has to be right first time – [June 2024](#)

## Grading

A reminder about sleepers – [March 2016](#)  
How to measure end splits – [March 2016](#)  
Limitations of visual grading – [January 2018](#)  
Don't specify timber by F grades – [August 2018](#)  
Which hardwood grading standard should I use – [April 2020](#)  
A philosophical question prompted by Kortney and Dave – [January 2021](#)  
Losing confidence in timber is so unnecessary – [September 2021](#)  
Beware F17 KD specification – [September 2021](#)  
Deck replacement – Gold Coast – [October 2021](#)  
How not to do a fence – [April 2022](#)  
New hardwood requires care in its specification – [June 2022](#)  
Guide to timber handrail released – [December 2022](#)  
Never specify sleepers – [June 2023](#)  
A broken heart in one so young – [August 2023](#)

## Handrail

Detailing a commercial handrail – [June 2019](#)  
An Interesting handrail from the UK (sloping handrails) – [July 2021](#)  
A Not so interesting handrail from Australia (poorly done) – [July 2021](#)  
New CPD Course on handrail – [August 2021](#)  
Losing confidence in timber is so unnecessary – [September 2021](#)

Fixing handrails – [October 2021](#)  
Correct use of LOSP Treated Handrail - [January 2022](#)  
Do end sealants actually work – [February 2022](#)  
A suggested handrail bracket – [February 2022](#)  
Specification for commercial handrail – [July 2022](#)  
Guide to timber handrail released – [December 2022](#)  
Handrail on refurbished footbridge – [October 2023](#)  
Why is this handrail 6.4m long? - [March 2024](#)  
A truly Dreadful Handrail – [June 2024](#)

## Hardware

Fencing brackets – [February 2016](#)  
Corroding galvanised joist hangers – [November 2016](#)  
Salt storage shed East Windsor (USA) using shearplates – [February 2017](#)  
Stump caps – [March 2017](#)

## Heart in timber

Feedback on 150x150- [January 2015](#)  
The difference between pine hardwood and cypress – [September 2016](#)  
Using heart-in timber – [February 2017](#)  
Stump caps – [March 2017](#)  
Tree of Knowledge memorial Barcaldine – [April 2017](#)  
Using heart in timber correctly – [April 2020](#)  
Losing confidence in timber is so unnecessary – [September 2021](#)

## History

The two Henry Fords of housing (part 1) - [August 2016](#)  
The two Henry Fords of housing (part 2) – [September 2016](#)  
Trusses a brief history – [October 2016](#)  
Largest timber gable truss in Australia – [December 2016](#)  
Sons of Gwalia headframe restoration options – [April 2017](#)

## Incised timber

Incised Timber - [November 2020](#)  
Feedback on incised timber – [December 2020](#)  
Feedback on Recognising well treated sleepers – [February 2024](#)

## International

Brief trip to the Philippines – [September 2016](#)  
Cocowood, is it any good? – [October 2016](#)  
Rothoblass headquarters Italy using cross laminated timber – [March 2017](#)  
Timber library in remote Solomon Islands – [May 2017](#)  
Cyclone and earthquake resistant building in Solomons – [October 2018](#)  
Spotted gum decks in Japan – [May 2020](#)  
Japanese tea garden deck – [July 2020](#)  
Spotted gum projects in Japan – [September 2020](#)  
Spotted gum viewing deck in Japan – [June 2022](#)  
Amazing spotted gum deck in Japan – [August 2023](#)

## Joists

Tamedia building in Switzerland – [May 2016](#)  
Galvanised bolts more variable than timber – [June 2016](#)  
Problems looming with self-drilling screws – [June 2016](#)  
Tamedia building, Zurich – [August 2016](#)

## Joists

Predrilling joists for screws is critical – [February 2018](#)  
How not to do a timber joint – [August 2018](#)  
A reminder about steel joists – [November 2018](#)  
This may make steel joists work – [December 2018](#)  
You can Make Steel Joists Work – [January 2019](#)  
Deadly Sin No. 2 on the sunshine Coast – [April 2019](#)  
Don't do silly things joining timber – [October 2019](#)  
Correct detailing does matter - [November 2020](#)  
Beware F17 KD specification – [September 2021](#)  
Fastening domestic decking to steel joists – [February 2023](#)

## Laminated timber

Pre-war but which war (40m laminated timber bridge) [January 2020](#)  
Don't do silly things with laminated timber – [October 2019](#)  
Poor Timber Design Needed a Fast Repair (laminated beam bridge) – [August 2021](#)  
Repairing Broken beams – [April 2024](#)

## LVL

LVL and common sense (USA deck collapse) – [February 2020](#)

## Moisture Content

UTAS Want Your Moisture Content Story – [December 2020](#)

## Paint and Oils

What brand paint should I use – [July 2016](#)  
Lui the wood turner is a fan of Tanacoat – [October 2016](#)  
Keep Your Deck Looking Good & Protected – [June 2017](#)  
It is a good idea to pre-oil your deck – [November 2017](#)  
Choice of paint colour is important – [December 2020](#)  
What paint brand should I specify – [April 2022](#)  
What decking oil should I use – [May 2022](#)  
Tanacoat or Tanacare – [February 2024](#)

## Pests of timber

Identifying lyctus attack – [January 2018](#)

## Pine

The difference between pine hardwood and cypress – [September 2016](#)  
Never purchase treated pine on price – [August 2019](#)  
Is Oregon durable – [May 2023](#)

## Plastic Decking

See decking – Plastic

Timber, is there a better product – [May 2019](#)

Whoever thought plastic was a good idea – [September 2019](#)

## Playgrounds

Kim Bowman Music – [June 2017](#)

Rethinking Robinia playground equipment – [December 2018](#)

Use of Larch in Australia – [May 2019](#)

Wishful thinking verse planning to succeed – [July 2019](#)

The perils of reverse engineering – [December 2019](#)

Most skilled spotted gum project I have ever seen – [July 2020](#)

Only trust your mother – [August 2020](#)

Playground timber – progress and request for images - [November 2020](#)

Timber in playgrounds (Broadwater project) - [January 2021](#)

Vandal resistant fasteners – [February 2021](#)

Ports North Playground – Cairns – [March 2021](#)

Pre-release editions of Timber in Playgrounds available – [March 2021](#)

Text finalised for Timber in Playground guide – [June 2021](#)

Example of why you need the playground guide - [January 2022](#)

Bradbury Park Playspace – [July 2023](#)

## Plywood

Be careful with ply fences – [September 2017](#)

New book on plywood – [October 2017](#)

## Posts

Hardwood posts in concrete – [February 2016](#)

Lui the wood turner is a fan of Tanacoat (turned posts) – [October 2016](#)

Stump caps – [March 2017](#)

How not to install a post – [April 2017](#)

Something else that seemed a good idea – [August 2017](#)

Your design sins will find you out, Part 1– [May 2018](#)

Your design sins will find you out, Part 1– [June 2018](#)

Deadly Sin No 6 at Jimna Fire Tower – [March 2019](#)

A lesson from the recent bushfires – [January 2020](#)

Feedback on a lesson from recent bushfires – [February 2020](#)

The drought uncovers some deadly sins – [March 2020](#)

Lay your design sins at the foot of the cross (revisited) - [June 2021](#)

Basic error with post supports - [January 2022](#)

Why do we do things that are just plain wrong – [April 2023](#)

Guidelines for installing gal posts in concrete – [April 2023](#)

Groundline special edition – [September 2023](#)

Post size requirements – [September 2023](#)

Timber house stumps – [September 2023](#)

Lay your design sins at the foot of the cross (revisited again) – [September 2023](#)

Steel posts – [September 2023](#)

A creative footing solution – [February 2024](#)

H5 treated pine without CCA – [April 2024](#)

## Projects

Tamedia building, Zurich – [August 2016](#)

A striking spotted gum fence in Japan – [March 2021](#)

Waaje Fire Tower Refurbishment – [April 2021](#)

## Recycled timber

Recycled timber – Political Correctness – [April 2016](#)

Is recycled timber seasoned – [October 2017](#)

A good use of recycled timber – [February 2020](#)

## Sapwood

Considering sapwood in your design - [December 2021](#)

## Seats

This seat suits all age groups– [April 2019](#)

Spotted gum seats in Budapest – [May 2021](#)

## Shelters

The perils of reverse engineering – [December 2019](#)

Shelter shed design service – [August 2021](#)

## Sleepers

A reminder about sleepers – [March 2016](#)

Concrete or timber sleepers – [July 2016](#)

A decent garden wall – [March 2017](#)

Jack has a rant about dodgy treatment – [May 2017](#)

Guide to Timber Garden Retaining walls – [November 2017](#)

Should have used concrete not timber – [August 2019](#)

Never specify sleepers – [June 2023](#)

Recognising correctly treated sleepers – [January 2024](#)
